College Fees 2027

STUDENT FEE

Student Fee per annum (for Years 7-12)..... $ 22,640

FAMILY FEE (billed to eldest student)

Compulsory Maintenance Levy ..... $ 420

Compulsory Capital Works Levy ..... $ 840

TOTAL ..... $ 23,900

Explanation of Fees

Stella Maris College has a flat fee structure with all compulsory core fees included.

Student Fee

Includes tuition, general curriculum and computer resources, PDHPE activities, excursions and carnivals, incursions, camps and retreats. Note that camps and retreats are compulsory, and refunds will not be made if a student does not attend.

Maintenance Levy

This is a compulsory levy to enable the College to maintain a program of long-term building maintenance.

Capital Works Levy

The Capital Works Levy is a compulsory fee which supports the ongoing improvements to our existing buildings, small scale infrastructure projects and capital equipment. As this amount forms a collectable part of school fees no tax deduction is possible.

Voluntary Building Fund Donation

Each generation of the College invests in expanding and improving the facilities for their own benefit and that of the next generation. The College has a comprehensive long-term maintenance and low scale infrastructure program which is funded through the existing fee structure. Voluntary donations in support of the Stella Maris College Building Fund are gratefully received and used to fund ongoing improvements to our future and existing capital works programs, furthering the College's long-term masterplan.

Each family is asked to consider making a voluntary contribution of $350 per annum.

Contributions to this Fund are fully tax deductible and can be made online here or via EFT (BSB 032-096 Account 870153). If paying a contribution via EFT please contact the Development Office: development@stellamaris.nsw.edu.au
