

College Fees 2025

STUDENT FEES

Student Fee per annum (for Years 7-12)19,500

FAMILY FEES (billed to eldest student)

Compulsory Maintenance Levy400

Compulsory Capital Works Levy800

TOTAL \$ 20,700

Explanation of Fees

Stella Maris College has a flat fee structure with all compulsory core fees included.

Student Fee

Includes tuition, general curriculum and computer resources, sport, excursions and activities, visiting speakers/artists/writers, swimming and athletics carnivals.

- Note:*
1. Most excursions and activities are Year group and subject dependent. Year 7 Orientation Camp, Year 9 Camp and the Retreats for Years 8, 10 and 11 are included. There is no refund for students who do not attend the major camp or retreat as attendance is compulsory.
 2. Some subjects attract additional fees and charges for specialised resources or external costs (see page 2).

Maintenance Levy

This is a compulsory levy to enable the College to maintain a program of long-term building maintenance.

Capital Levy

The Capital Levy is set each year by the College and approved by the Board of Directors. The compulsory levy supports the ongoing improvements to our existing buildings, small scale infrastructure projects and capital equipment. As this amount forms a collectable part of school fees no tax deduction is possible.

Voluntary Building Fund Donation (optional)

Each generation of the College invests in expanding and improving the facilities for their own benefit and that of the next generation. The College has a comprehensive long-term maintenance and low scale infrastructure program which is funded through the existing fee structure. Voluntary donations in support of the Stella Maris College Building Fund are gratefully received and used to fund ongoing improvements to our future and existing capital works programs, furthering the College's long-term masterplan.

Each family is asked to consider making a voluntary contribution of \$350 per annum.

Contributions to this Fund are fully tax deductible and can be made online [here](#) or via EFT (BSB 032-096 Account 870153). If paying a contribution via EFT please contact the Development Office: development@stellamaris.nsw.edu.au
